// PROFILE

A designer at core, working today as a Communication & Brand Manager. My background is in communication design (brand identity, web, editorial) and that design thinking now shapes how I lead strategy: treating communication itself as a system to be designed, not just written. I combine that design background with strategic thinking and leadership to align teams, stakeholders and creative execution around measurable business goals.

// EXPERIENCE

Marketing & Communication Director

JAN 2023 - PRESENT
PORTO, PORTUGAL

ARMAZÉM DO PEIXE
@armazemdopeixe.afurada

Lead communication strategy and brand management across six hospitality brands, ensuring consistent positioning, customer experience and commercial communication across digital and physical channels.

- Develop and execute integrated communication strategies
- Lead brand positioning, messaging and creative direction across multiple customer touchpoints
- Manage relationships with media, strategic partners, suppliers and external agencies
- Lead copywriting for websites, campaigns, social media and email marketing

SELECTED ACHIEVEMENTS

- Increased the share of online reservations from 7.3% to 31%.
- Grew the flagship restaurant's Instagram audience from 4,000 to 11,000+ followers.
- Led communication and branding across six hospitality brands simultaneously.

Marketing & Service Design Specialist

FEB 2022 - NOV 2022
LISBON, PORTUGAL

HOMA - SERVICE DESIGN

Supported communication and service design projects, connecting customer research, strategic communication and creative execution across digital and physical touchpoints.

- Developed communication materials supporting service design and innovation projects
- Transformed qualitative research into personas, service blueprints and journey artefacts
- Designed educational materials, e-books and presentations supporting client engagement

Marketing Analyst

FEB 2020 - JAN 2022
FLORIANÓPOLIS, BRAZIL

ACATE - ASSOCIAÇÃO CATARINENSE DE TECNOLOGIA

Supported the communication and marketing strategy of one of Brazil's leading technology associations, connecting members, sponsors and the innovation ecosystem.

- Planned and executed communication strategies for institutional objectives and events
- Managed relationships with sponsors, suppliers and strategic partners

Earlier experience

2017 - 2020
BRAZIL

MARKETING & DESIGN

Freelance and in-house marketing and design work, building the foundation for a later focus on communication strategy and brand management.
