# Mauricio Santos

Brand Designer | Visual Identity Systems | Creative Direction

Porto, Portugal design.mauriciosantos@gmail.com +351 937 08 01 06 linkedin.com/in/mmauriciosantos mauriciosantos.design

## PROFILE

Brand Designer with 7+ years in visual identity, brand guidelines and communication design. I still design hands-on every week: guidelines, visual systems, campaign and social assets, web and presentations. I currently own brand identity and visual consistency across six hospitality brands. Open to remote and Porto-based roles.

## EXPERIENCE

### Marketing & Communication Director (Brand and Creative Direction)

Jan 2023 – Present

**Armazém do Peixe** · Porto, Portugal

Lead brand management and creative direction across six hospitality brands, with consistent visual identity across digital and physical channels.

- Create and maintain brand guidelines and visual systems applied across web, social, print and venues
- Design campaign, social, email and presentation assets; lead copywriting for websites and campaigns
- Lead brand positioning and manage media, partners, suppliers and external agencies

**SELECTED ACHIEVEMENTS**

- **Increased online reservations from 7.3% to 31% (+24pp) by rebuilding the digital communication and conversion strategy**
- **Grew the flagship restaurant's Instagram from 4,000 to 11,000+ followers (+175%) through consistent content and brand strategy**
- **Unified positioning across 6 hospitality brands, aligning teams and creative execution under one strategy**

### Marketing & Service Design Specialist

Feb 2022 – Nov 2022

**HOMA – Service Design** · Lisbon, Portugal

- Designed communication materials, e-books and presentations supporting service design and innovation projects
- Translated qualitative research into personas, service blueprints and journey artefacts adopted by product and service teams

### Marketing Analyst

May 2019 – Jan 2022

**ACATE – Associação Catarinense de Tecnologia** · Florianópolis, Brazil

- Led end-to-end communication and marketing for technology companies and innovation events
- Managed a creative team with workflows, SLAs and sprint-based processes; launched landing pages for campaigns and events
- Grew social media presence through a planned, ongoing content strategy

### Marketing & Design, freelance and in-house · Brazil

2017 – 2020
